## ABOUT ME

Creative and detail-oriented Front-End Developer (Fresher) with a strong foundation in HTML, CSS, JavaScript, React, and Bootstrap. Passionate about designing responsive, user-friendly, and visually appealing web interfaces. Skilled in UI/UX principles, optimizing website performance, and implementing interactive features to enhance user experience. Eager to apply my knowledge in real-world projects, continuously learn new technologies, and contribute to building modern web applications. A quick learner and a team player with a strong eye for design and usability.
